Reshma D

+91-6361288806 # reshmadresh07@gmail.com ï linkedin.com/in/reshma362

Objective

Full Stack Web Developer with expertise in JavaScript, React, Node.js, and MongoDB. Experienced in designing and deploying web applications, optimizing performance, and implementing scalable solutions. Passionate about creating user-centric applications and collaborating on impactful projects.

Skills

Frontend & Backend: HTML, CSS, JavaScript, React, Node.js, Express, Java
Database: MySQL, MongoDB
Tools: Git, GitHub, VS Code, Postman
Core: API Integration, Problem Solving, Debugging

Experience

Full Stack Web Developer Intern — August 2025 – October 2025

Full Stack Web Developer (Remote) — *Tools Used: Git, GitHub, VS Code, Postman*

- **Developed and deployed end-to-end web applications using HTML, CSS, JavaScript, React, Node.js,** and databases—enhancing user experience and application performance.
- **Integrated APIs and managed database operations ,** for multiple projects, reducing data retrieval time by 30
- Collaborated with a team of 3 developers to design scalable,—maintainable code and implement feature enhancements across projects.
- Conducted code reviews and testing to ensure bug-free delivery, improving project reliability and efficiency.

Cloud Security Intern — July 2025 – September 2025

Zero Trust Cloud Security Eduskills Foundation (Remote)

- **Implemented secure cloud architectures and authentication models,** improving understanding of cloud security principles.
- Assisted in designing data protection strategies and policy enforcement in virtual environments.
- Collaborated with mentors and peers to analyze security use-cases and recommend improvements for secure cloud deployment.
- Documented internship learnings and configurations, contributing to knowledge-sharing resources for future interns.

Awards & Certifications

- **Problem Solving in C Certificate – NPTEL 2024:** Enhanced algorithmic thinking, modular programming, and debugging skills.
- **Joy of Computing using Python Certificate – NPTEL 2024:** Built automation and problem-solving capabilities with practical Python projects..

- **Cloud Computing Certificate – NPTEL 2025:** Learned cloud architectures, virtualization, and deployment models.
- **Programming in Java Certificate – NPTEL 2025:** Strengthened object-oriented programming, exception handling, and data structures.

Education

B.E. in Computer Science and Engineering **Expected Graduation: 2027**

AMC Engineering College, Bengaluru *CGPA: 9.04 / 10*
