Objective

Enthusiastic and quick-learning Computer Science undergraduate with hands-on experience in full stack web development. Skilled in building responsive web applications using modern technologies and eager to contribute as a Software Development Engineer.

Education

B.E. in Computer Science and Engineering *Expected 2027*
AMC Engineering College, Bengaluru
CGPA: 9.04 / 10

Experience

Full Stack Web Developer Intern *Aug 2025 – Oct 2025*
Full Stack Web Developer (Remote)

- Developed full stack web applications using React, Node.js, and databases.
- Integrated REST APIs and optimized database operations (30% faster retrieval).
- Collaborated with a 3-member team to build scalable features.

Cloud Security Intern *Jul 2025 – Sep 2025*
Zero Trust Cloud Security EduSkills Foundation (Remote)

- Implemented secure cloud architectures and authentication models.
- Documented security use-cases and best practices.

Projects

Full Stack Web Application

- Built a full stack application using React, Node.js, and MongoDB.
- Implemented REST APIs and improved UI performance.

Skills

- **Programming Languages:** Java, JavaScript, C
- **Web Technologies:** HTML, CSS, React, Node.js, Express
- **Databases:** MySQL, MongoDB
- **Tools:** Git, GitHub, VS Code, Postman

Certifications

- Problem Solving in C – NPTEL (2024)
- Joy of Computing using Python – NPTEL (2024)
- Cloud Computing – NPTEL (2025)
- Programming in Java – NPTEL (2025)

Languages

English – Fluent
Kannada – Native
Telugu – Conversational
Tamil – Conversational
